The 13th International Symposium on Photonic and Electromagnetic Crystal Structures (PECS-XIII) will be held in-person format, from March 28 (Tue) to March 31 (Fri), 2023 [1].

Camera-ready 1-page abstract should be prepared on an A4-size paper with 30 mm and 25 mm margins from top and bottom, and 20 mm margins from both sides. The abstract must include the title of the paper, author(s), affiliation(s), address(es) and e-mail address. Use capital letters for the initial letter of each word except articles, prepositions and conjunctions. Place a blank line between the title and author(s). The main text should be typed with single-spaced and 11 point. List and numbers of all the references should be at the end of the abstract. When referring to them in the text, the reference number should be indicated by brackets, such as [1], [2,3]. We accept abstracts only in the pdf format with the file size less than 10MB.

The deadline of the submission is **October 28 (Fri), 2022**.
